

**REMARKS**

Applicant has revised the claims 1-9 and included new dependent claims 10-11 as per the February 18, 2005 fax to the examiner that was the subject of the February 22, 2005 interview with the examiner, who stated that the claims 1-11 overcome the prior art as of record. New dependent claims 12-21 have also been added which extend the subject matter of dependent claims 10-11 which are dependent on claims 1 and 4 to new claims 11-21 which are dependent on other independent claims namely 8 and 9 and/or add the idea that the signaling involves a visual signal.

Thus the instant amendment is understood to place the claims 1 through 21 in condition for allowance and it is respectfully requested that the amendment forming the submission for the RCE be entered. It is therefore respectfully requested that the examiner allow claims 1-21 as amended.

A check for \$420 is submitted herewith and this amount is intended to cover the \$395 filing fee for an RCE together with an additional \$25 for the 21<sup>st</sup> claim

Dated: February 25, 2005

Respectfully submitted,
